Dear Members,

We are proud to welcome you this season to the golf and tennis facilities at Port Jefferson Country Club. As you may know, considerable investment has been made to the Golf Course this past year with the installation of a new state of the art, irrigation system, as well as golf course renovation. The Village also completed the build out of the new maintenance facilities, resulting in a fully equipped, environmentally certified and approved maintenance complex. These significant golf course improvements are entirely funded by your membership dollars and so we are thankful for your support in helping us maintain and upgrade Port Jefferson's crown jewel country club amenity.

The Board of Trustees and the Mayor's office also worked closely throughout the year with the Country Club Management Advisory Committee and Country Club Liaison Stan Loucks, on every aspect of the Country Club administration including budget oversight, membership rate recommendations and policy creation - all with a keen eye towards fostering a stronger sense of community and club spirit. I want to thank the members of the CCMAC who volunteer their time and effort in helping us manage all the club facilities.

Our newest initiative this spring is to bring administrative offices onsite to assist members with easier bill payments, sales and maintenance issues. Our new Country Club Administrator, Cory Lamendola, will be in our on-site office and will bring the administration closer to the membership making it easier to interface and increase communications. We also hope to upgrade our web systems to allow for payments on-line offering a higher level of convenience and cost saving initiatives.

Although a lot is going on, it seems all the time, I am certain that we will once again enjoy another season of robust, competitive play as our professional golf and tennis staff remain proud to serve your recreational needs. Whether I see you on the turn or across the net, I too am personally looking forward to enjoying our Country Club privileges and amenities and remain proud to serve as your Mayor.

Thank You,

Margot Garant
Mayor of Port Jefferson

CLUB HISTORY

Port Jefferson Country Club at Harbor Hills has undergone a continuous and glorious transformation: Six name changes, six property owners, several dedicated operators, a few devastating fires, several golf architects, coupled with two World Wars and a long list of enthusiastic, visionary Village Board members and here we are – celebrating the Country Club's 108th season.

With thanks to Philip A. Griffith, our own country club historian, we are excited to share with you a brief retrospective.

- 2008-** This year marked the 100th anniversary of Port Jefferson Country Club. Also, the Club embarked on a major capital project to replace the entire golf course maintenance facility.
- 2014-** A long-term Municipal Bond financing package to fund the replacement of the golf course irrigation system and a major golf course restoration project was completed during the year. The \$1,800,000 renovation project was started in November 2013 and was completed in the spring of 2014. A \$1.3 irrigation system project, \$500,000 bunker renovation and putting green enlargement completed the work.

The name may change and the clubhouse rebuilt, but the manicured landscape and breathtaking views have long endured, promising the next 100 years to be the most memorable yet.

Dear Members,

I would like to welcome all of our members to the 2016 golf season. The Port Jefferson Country Club management has dedicated itself to becoming the finest municipally owned private country club in the Northeast. Through the great leadership of Mayor Margot Garant and Trustee/Liaison Stan Loucks, Port Jefferson Country Club has dedicated itself to delivering a first-class golfing facility for all members and guests.

The completion of the new maintenance facility, cold storage building, irrigation system and bunker renovation has given Brian Macmillan the tools to manicure the grounds and create outstanding turf conditions for years to come. The Country Club staff will be committing themselves to improving all of your golf and tennis needs. Our Director of Tennis, will be delivering a first-class experience for all tennis members and their guests. Cory Lamendola, our new Country Club Administrator will be available on-site to help with all billing, membership questions, and concerns. I will be making every effort to deliver the best customer service possible for all members and their guests.

The 2016 season has a wide array of activities for everyone. We have our **Tuesday Tournament Group**, which plays both 9 and 18 holes and will begin in May, continuing through the beginning of October. The **Weekend Tournament Group** plays a variety of tournaments throughout the year, and is broken down by division so that everyone has an equal chance of winning. Member Socials will be held on various Thursdays and Saturdays, and are a great way for you to play and socialize with many other members.

For 2016 there will be a new tee time reservation system in place. As in the past, tee times may be made 7 days in advance, 7 days a week, in person or now you will be able to make tee times on-line. For example, if you want to play on Thursday, April 28, you would come in or go on-line on Thursday, April 21. The walk-in or on-line time will vary as the tee times vary throughout the season. For April, the first tee time is 7:30, so we will begin taking tee times on-line or walk-in reservations at 7:15. For May, June, July and August – 6:30; September, October and November – 7:30.

I invite all of your children and grandchildren to come out and learn the proper skills, techniques and etiquette towards becoming future club champions. Our junior programs will also include the opportunity to participate in golf camps, which will consist of a 5 hour, 5 day a week program in order to teach your children the necessary golf course skills and to get them ready for tournament golf.

I am very fortunate to be the Director of Golf here at the Port Jefferson Country Club. We hope that everyone has a healthy and prosperous 2016 and if there is anything you need to make your days more enjoyable, please feel free to contact me at anytime. The golf shop number is 631-285-1814, and my email is bmackedon@portjeffcc.com.

Brian Macmillan
GCSAA Superintendent

2016 promises to be our best season yet at Port Jefferson Country Club. The staff and I are looking forward to producing the best playing conditions possible for the upcoming season.

Last year proved to test all of our nerves in maintaining the course and as members playing the course. Starting with the winter damage issues and ending with the extensive damage left to us by the late summer microburst, these are major obstacles that we hope to not face in 2016. Whether or not as obvious, there are always variables that pop up throughout the year. Whatever may come our way this season we will all be ready to take it on and come through it better than before.

This year we will continue to focus on playing conditions with an emphasis on our native areas. They will be cut mid-summer to ensure some of the thicker areas do not become unplayable. As a whole these areas have improved year to year and will continue to do so. These areas save us a great deal of money by needing no fertilizer, no water and no weekly mowing. These savings let us put more effort in providing better conditions to our playable turf. The goal is to have the most player-friendly course throughout the entire year and actions such as cutting these areas back mid-year will be taken to help reach that goal.

We have taken many strides forward over the past few years and we still have many more to make. The progress we have realized gives me the confidence that this course will keep getting better each and every year. I look forward to seeing everyone back out on the course for another wonderful year at Port Jefferson Country Club. Thank you for the continued support of the maintenance staff and have a great year!

Sincerely,
Brian Macmillan
Golf Superintendent

POLICY REGARDING REFUNDS AND CREDITS FOR PAID MEMBERSHIP FEES FOR GOL AND TENNIS

(Approved at the June 21st, 2016 Board of Trustee Meeting)

Any member who has paid fees for the upcoming golf and/or tennis season may request that the fees be credited against the fees to be charged for the ensuing golf and/or tennis season. Any such request must be in writing and signed by the member requesting the credit. Requests are to be submitted to the **Membership Services Office located in the Golf Pro Shop**. Requests for full credit will only be considered if received prior to the opening day of the golf and/or tennis season for which the request is made. Requests for partial credit will only be considered if received between the opening day of the golf and/or tennis season and May 31st of that same year. In all cases credit requests must be accompanied in writing from the members' physician stating that the member suffers from a medical condition that prevents the member from participating in golf and/or tennis activities in the season for which the credit is requested.

The decision **from the Membership Services Office** as to a request for a credit shall be final and not subject to appeal. **This decision will be made by the Membership Services Administrative Aide in consultation with the Country Club Liaison**. If a credit is granted, any increase in the membership fee over and above the credit must be paid prior to participating in the next ensuing golf and/or tennis season. Membership credits shall be applied to the specific membership that the member paid dues for. For example; golf credits may not be used to offset tennis membership fees nor may tennis credits be used to offset golf membership fees.

Under limited circumstances, credits may be requested for two (2) successive golf and/or tennis seasons subject to following the above described procedures for each of the two (2) seasons for which a credit is requested.

The above applies to membership fee credits only.

While it is the policy of the Village not to give refunds of golf or tennis membership fees, the Board of Trustees recognizes that extraordinary circumstances (I.E. death of a member, illness or disabling injury) may arise from time to time that warrants consideration of a refund request. Accordingly, **the Administrative Aide in the Membership Services Office in consultation with the Country Club Liaison and approval of the Village Administrator** will entertain requests for refunds based upon a writing submitted to it containing the reason for the request and copies of any documents in support and confirmation of the stated reason. The **Membership Services Office** reserves the right to request such other proof that it deems necessary in order to give full consideration to any request for refund. The **Membership Services Office** reserves the right to reject any requests for a refund and shall not be liable for any denial.

NEW MEMBERS

All new members will be required to attend an orientation meeting prior to obtaining a bag tag and being permitted to play. A board member or one of the Golf professionals will conduct the meeting.

HANDICAPS

A handicap is a number which best describes a golfer's level of skill. When properly applied, this will compensate for differences in skill between competitors, resulting in equitable competition. An accurate handicap is the result of complete and accurate data entered by the golfer.

In order to maintain a handicap, a handicap fee must be paid to the treasurer of the appropriate league. The fee for non-league members is \$40.00. Checks for men should be made payable to Harbor Hills Golf Club, Inc. Checks for women should be made payable to Harbor Hills Tuesday Tournament Group. Any present member not paid by May 1st will be deemed inactive.

All scores should be adjusted for **EQUITABLE STROKE CONTROL** before being entered into the computer. The equitable stroke control procedure instituted by the USGA in 1993 is still in effect. It is as follows:

EQUITABLE STROKE CONTROL

Equitable Stroke Control (ESC) is the downward adjustment of individual hole scores for handicap purposes in order to make handicaps more representative of a player's potential ability. ESC sets a maximum number that a player can post on any hole depending on the player's Course Handicap. ESC is used only when a player's actual or most likely score exceeds his maximum number based on the table below. Each player is responsible for adjusting his score in accordance with the table.

18 HOLE COURSE HANDICAP	MAX. # POSTED ON ANY HOLE	9 HOLE COURSE HANDICAP	MAX. # POSTED ON ANY HOLE
9 OR LESS	Double Bogey	4 OR LESS	Double Bogey
10 through 19	7	5 through 9	7
20 through 29	8	10 through 14	8
30 through 39	9	15 through 19	9
40 and above	10	20 and above	10

A handicap consists of the 10 scores out of your most recent 20. However a temporary handicap can be issued with 5 scores. It is the responsibility of each member to see that his/her scores are posted properly and scorecards are placed in the boxes provided.

Scores made in areas with an active golf season during winter, should be posted in April or May. It is imperative, however, that course ratings and approximate dates be given. Under **NO** circumstances should scores made in this area prior to April 1st or after October 31 be posted.

Port Jefferson C.C. is a member of the Metropolitan Golf Association, which in turn is part of the National Golf Handicap and Information Network (GHIN). A GHIN number is assigned to

every golfer when joining the system and the GHIN number will remain in effect as long as he or she stays in the system, irrespective of the club or association to which he or she transfers.

Any GHIN member who is playing a GHIN course away from the home course may post scores on computer at that course on line at GHIN.com. We are equipped with a computer to record scores, and all entries should be made at the computer. The lower number (followed by an L) is updated with each round and may be used for local play. The upper handicap number and your index changes bi-weekly and corresponds to your GHIN official handicap card. This is your official handicap and index and should be used in all sanctioned tournaments (USGA, MGA, etc.).

Your index is used to establish a handicap when playing at a course other than PJCC. By referring to a table at each club your index is converted to a handicap number, which is to be used when playing at that club.

This adjusts for discrepancies in relative difficulties of various courses. Further information regarding handicap/index is posted by the handicap computer and at GHIN.com.

The handicap committee will monitor proper score entry. Players must enter all rounds played. Severe penalties will be imposed for incomplete or improper score entry.

DISCRIMINATION

No person shall be denied membership in the Port Jefferson Country Club due to race, creed, color, age, national origin, sex or marital status. All Country Club policies will be administered in a non-discriminatory manner.

TUESDAY TOURNAMENT GROUP

Message from the President – 2016

The Tuesday Tournament Group is looking forward to another exciting golf season. We welcome all new and returning members at our first tournament on Tuesday, May 3rd. The Opening Breakfast and bi-annual meeting will be held on Tuesday, May 10th, at 7:30 A.M. and will be followed by a 9 hole scramble at 9:00 A.M.

If you wish to join the Tuesday Tournament Group in 2016 calendar year you must be a member of the Port Jefferson Country Club. All golfers must have an established handicap before the golf season begins. If you establish a handicap during the season, you would then be able to join our group, as long as you meet the handicap criteria.

For 18 hole players you must have a 44 handicap or less. To play in the 9 hole group, a handicap must fall between 45 and 53. For players that have handicaps of 54 or above, we have an additional 9 hole group which is required to play from the black tees.

The fee for the Tuesday Tournament Group is \$140.00, which includes the handicap fee and hole-in-one insurance. There will be no refunds once the application is received.

I am very excited to be your President and thank my board in advance for their assistance and leadership. We will continue to promote competition at every level so that golf is enjoyable for all and builds friendships and camaraderie.

We thank Bill Mackedon, our PGA Professional and Brian Macmillan our Golf Course superintendent, for their invaluable assistance. We greatly appreciate their commitment and enthusiasm for the game of golf and support of the needs of the Tuesday Tournament Group.

I look forward to seeing you on Tuesday, May 3, 2016 when our season officially opens. If I can be of assistance feel free to contact me at 631-807-4921 or annettebroderick@yahoo.com

Fondly,

2016 HANDICAP SEASON

Welcome to the Harbor Hills Tuesday Tournament Group (HHTTG)! There are a few changes to handicap rules for the new 2016 season, so whether you are a long-time member, or new to our group, please take note of the following:

The “season” up here in the northeast is from April 1st to October 31st, and that’s when you can enter your scores on our computer in the pro shop. If you play golf at other times and at other courses, you may be able to enter your scores using your computer at www.ghin.com. Otherwise save your away score cards to post here at Port Jefferson Country Club after April 1st.

New members of the HHTTG now must have a GHIN number and a handicap before joining the ladies’ group. In order to be eligible to play in the 18 hole tournaments, your handicap cannot be more than 44; to play in the regulation, red tee, 9 hole group, your handicap must fall between 45 and 53. (Please note: this applies to all 9 hole members.)

The “Black Tees” group is for players with handicaps starting at 54 and above. Just perfect for new golfers and others, these are actual new tees that shorten the course and make the game more rewarding (and fun!) for high handicap players. The current score cards will also enable proper scoring from these tees.

Here’s an important new rule for the high handicap games from the black tees: Players must pick up after doubling the par on the hole – plus 1. (Example: If playing a par 5, pick up when reaching a score of 11 which is double par plus 1.)

Club rules state that players must enter their scores at the end of each round, not just on Tuesday tournaments. Please follow this rule.

Your Tuesday Tournament Group is arranging for golf clinics to be set up for new members and for high handicappers to learn about golf rules and golf etiquette. Any member can participate and pick up some pointers that she may have forgotten!

If you are a new member, and wish to establish a handicap, you can submit a check for \$40.00 along with your membership application, payable to HHTTG. Write on your check “handicap only” fee, which will allow you to enter your scores under your own GHIN number. When your handicap is established to the allowed limits we will be delighted to welcome you to our Tuesday Tournament Group.

Here’s one more rule that we often forget: ENJOY THE GAME AND HAVE FUN ON OUR BEAUTIFUL GOLF COURSE!

Thank you to all our members who have dutifully recorded their scores this past season. Your cooperation is very much appreciated.

See you on the course!

TUESDAY TOURNAMENT GROUP

2016 RULES GOVERNING PLAY

1. All members of the 9 or 18-hole tournament group must have an established handicap before joining.
2. Players must follow the USGA Rules of Golf: Etiquette, Definitions, and the Rules of Play. Carry your USGA Rule book with you when in tournament play.
3. Paid members of the Group, meeting handicap requirements, may compete for prizes. Prizes are distributed during the season.
4. Players use current handicaps at all times, even in a multi-day tournament, however, flights do not change during a multi-day tournament. Check the computer for your current handicap before each tournament.
5. Players who cannot complete a multi-day tournament may not enter it. Instead, write TOD for Tournament of the Day on the signup sheet, or let the Pro Shop know.
6. Eighteen-hole players are to arrive at the course no later than 8:30 A.M. All players should be in their assigned carts by 8:40. **ANYONE ARRIVING AFTER 8:30 A.M. WILL NOT BE PERMITTED TO PLAY THE TOURNAMENT, BUT WILL BE ALLOWED TO PLAY AT THE END OF THE FIELD.** Nine-hole players are to arrive no later than 8:15 A.M. The 18-hole group will use a shotgun start at 8:45 A.M, unless certain specified tournaments are tee times. Check the tournament schedule. The nine-hole group will be assigned tee times beginning at 8:30 A.M.
7. In the event of rain, thunder or lightning, the Tournament Chair and/or Pro will decide whether or not to cancel the tournament and will decide within three days whether it will be rescheduled.
8. There should never be an open hole between groups. If a group loses its position, because of a lost ball or other reason, it is recommended to let the group behind play through. The Board may assess penalties to golfers who repeatedly play slowly.
9. In the event of a tie in regular Tuesday Tournament, a match of cards will determine the winner. In match play, such as our Spring Cup Tournament, tie breakers will be determined by a sudden death playoff, starting on hole number 1.
10. Any questions of disputes must be settled before signing the score card and posting the score. In stroke play, in an unresolved dispute, a second ball must be played and both the scores kept. The Rules Committee will hear questions pertaining to the Rules of Golf and will make the final

decision at the end of the round. In match play, you and your opponent must resolve a dispute before going on.

11. You are required to post all scores unless otherwise directed by the Tournament Chair. Tournaments to be posted with a "T" will be noted in the local rules sheet for the day, found on each cart. Posting adjusted scores is essential for all completed rounds of play. This is an element of fair play, which keeps your handicap current.

12. CELL PHONES AND BEEPERS ARE NOT ALLOWED DURING LEAGUE PLAY.

13. In order for a second-place prize to be awarded there must be at least 4 players in the flight.

HOLE-IN-ONE INSURANCE POLICY

For any Hole-In-One made at Port Jefferson Country Club by a golfer who is a member of the Tuesday Tournament Group on any day except during outside outings, Village sponsored outings, and mixed tournaments, the Tuesday Tournament Group will buy one drink for each golfer present at the time, at the bar, sharing the occasion with the person who achieved the Hole-In-One.

PACE OF PLAY TIPS

Slow play is one of the major concerns during every golfing season. Frustration with delays may lead to an inconsistent quality in your swing and concentration loss. Concern that you are delaying those behind you often leads to the same difficulties.

It is in every player's best interest to learn and practice the following tips to:

Speed Up the Pace of Play

- Always keep pace with the group in front of you. If there is an open hole in front of you, always ask the group behind you to play through.
- Be prepared to hit your ball when you are up by thinking about distance, yardage, wind and obstructions and club selection before reaching your ball.
- Mark the flight of every ball in your group with a background object such as a tree, sign, tuft of grass...
- Tee off as soon as the group in front is clear.
- Disregard "honors." The shortest hitter should be ready to tee off first.
- If you are in any doubt as to whether your ball may be lost or out of bounds, hit a provisional ball. Observe the 5 minute rule of searching for a lost ball. If the 5 minutes causes you to fall behind, ask the group behind you to play through.
- The driver of the cart should drop off her partner with the proper clubs and drive to her next shot.
- On the putting green, place your extra clubs on the cart side of the green.
- Read your putt as others putt out.
- Practice continuous putting. Avoid marking short putts.

- Always leave the green immediately after the last player holes out. Record scores at the next tee.

OFFICERS OF THE DAY - 2016

Please arrive by 7:45 A.M. to sign in all members who are playing in the Tuesday Tournament Group. I will contact you the day before you are scheduled to be the Officer of the Day. If you cannot be the Officer of the Day on your scheduled day it is your responsibility to find a replacement. Thank you.

Programs and Activities

Open Time Play– A PJCC Tradition

We have a wonderful concept at our club called “open time.” Every Tuesday morning 7 A.M. to noon, Thursday evening from 6 P.M. to 9 P.M., Saturday and Sunday morning from 7 A.M. to noon the lower four courts are reserved for open play. It is a one set format with no-ad scoring. Players rotate in on a first come-first serve basis. After the set is finished, you play with another group. With this format, members can play with all levels, all ages and meet new people for future games.

Ladder Play

Intermediate and advanced men's and women's singles, men's and women's doubles, mixed doubles and women's advanced singles.

Inter-club Play

Men's, women's and mixed doubles teams play home and away matches against other local clubs.

USTA Teams

The official set of rules and policies are contained in the Tennis Board by-laws, which are available on the PJCC Tennis Web site. A summary of the rules governing play at the tennis facility follows:

During open time, members are limited to bring one guest to either the Open Time courts or reservation courts.

RULE 2. Members and guests must register in the pro shop before playing. Members must have their cards swiped. Guest fees must be paid in advance. Members and their guests are restricted to one court. A guest is limited to eight (8) playing times during the season. GUEST FEE: 10.00 per guest, per day.

RULE 7. Junior members (ages 18 and younger) and student members (ages 19 – 25) may make court reservations after 12:00 noon.

RULE 8. Reservations are limited to one hour for singles and one and one half hours for doubles. No more than four players at a time are permitted on one court.
